

SCHEDULE OF FEES: GROUP EARLY INTERVENTION

Our early intervention service provides opportunities for children to build communication, social, play, independence and cognitive skills alongside peers, guided by experienced therapists.

These supports are delivered over **2.5 hours each day**, integrated into the **childcare setting from 7am-5pm** across **2 days every week**.

Our fees consist of **therapy fees** that cover early intervention hours and **childcare fees** that cover long day care placement.

Children can attend the 2-day program on either Monday-Tuesday or Thursday-Friday, with an optional childcare-only day on Wednesdays.

A 5-day package may be available upon request.
Private therapy sessions can be arranged, if needed.

Our billing follows a weekly cadence.
